NEWS OF OUR MEN and WOMEN IN UNIFORM

Now in his first phase of combat training, Bombardier Andrew A. "Al" Marcucci is stationed at the U. S. Army Air Base at Mountain Home, Idaho. He reports that he has not as yet been assigned to a crew but expects to be soon.

Marcucci, now a lieutenant, was graduated from the West Texas Quadrangle, Midland, Texas, in June. He is the son of Mr. and Mrs. Albert J. Marcucci, 443 Bellevue avenue.

Lieutenant Marcucci reports that he enjoys reading The Record. He is a graduate of Jefferson Union high school, having completed his education there in 1940.

Private First Class Raymond Hurlbut left Daly City, Tuesday of this week, after enjoying a 3-day furlough here with his parents, Mr. and Mrs. Walter Hurlbut, 173 San Diego avenue. He is stationed at Camp Beale, California and has now been in the armed forces for 10 months. Before entering the Army, Hurlbut was employed in the shipyards and prior to that he worked at A. L. Stockton Lumber company here.

Mr. and Mrs. Ed Byrne, 6241 Mission street, have received word from their son, Private First Class Robert E. Byrne of his safe arrival in England. Byrne was graduated from the armament school at the U. S. Army Air Forces Technical Training command at Lowry field, Colorado, in June of this year. He is a graduate of Jefferson Union high school.

Ernest E. Anderson, 19, of Daly City, son of Mr. and Mrs. E. Anderson, 1021 Noe street, San Francisco, has arrived at West Texas State college, Canyon, Texas, for a course of Army Air Forces instruction lasting up to five months prior to his appointment as an aviation cadet in the Army Air Forces.

During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of his college training he will be classified as a pilot, navigator or bombardier.

Word was sent, this week, to Staff Sergeant Ted Coker in Alaska that he and Mrs. Coker were the grandparents of a baby girl, Donna May, born, October 14 to Mr. and Mrs. Donald Knudson, Daly City. The maternal grandparents of the baby, born at St. Francis hospital in San Francisco, are Mr. and Mrs. D. Mastel, Daly City.

Mrs. Coker, who resides at 362 Irvington street, said that in a recent letter from her husband the sergeant wrote of the splendid cooperative spirit which exists between officers and men of his outfit. "It is their morale," he wrote, "Which is going to help our boys win this war." He said that he hoped it would be over soon so he could return to Daly City.

Mrs. Coker is one of Daly City's Block Mothers and so is doing her share to aid in the program for victory.

Mr. and Mrs. Jack Giusti, 374 Woodrow street, have received a letter from G. C. Brant, major general, U. S. Army, commanding at the Headquarters Army Air Forces Gulf Training center, advising them that their son, Roy Giusti, has been classified for training as a navigator and that he is being appointed an aviation cadet in the Army Air Forces.

"In order to win this war, it is vital to have the best qualified young men in charge of navigating our bombardment airplanes. Upon them will depend in large measure the success of our entire war effort," the officer wrote. "The position of navigator calls for a high degree of intelligence, alertness and coolness. The classification board believes that your boy has the necessary reliability, character and mathematical aptitude," he continued.

Giusti is now at Ellington field, Texas. He took his training as an air corps cadet at Sheppard field. He was at St. Mary's college before entering the armed forces.

Ration Book Four Registration Now Under Way Here

Three School Sites Handling Local Signup

Registration for War Ration Book Four is now under way in Daly City at three registration sites: Crocker school, 649 Bellevue avenue; Woodrow Wilson primary school, 43 Miriam street; Jefferson school, 14 Alemany street.

The registration opened, yesterday, October 20, and will close at 1 p. m. Saturday, October 23. Today and tomorrow hours will be 9 a. m. to 7 p. m. The personnel of the Jefferson Elementary School district is handling the signup and classes are not meeting during the period.

Daly City residents are advised to take care of securing Book Four during the hours provided, as a great deal of delay will be in store for those failing to register at the proper time and place, according to War Price and Rationing Board No. 83-12-3.

Ration Book Four is not being mailed but will be given out at the time of registration. One adult member of the family may register for all members of the family living together at one address.

For each person to be registered, the person doing the registering must bring along War Ration Book Three. All the facts needed to fill out the application will be the full name, ages, and sex of members of the family, OPA says. Consumers will not have to declare stocks on hand—either commercial or homecanned.

War Ration Book Four will be used beginning November 1 for processed foods, canned goods, and sugar. Green stamps A, B, and C (for processed foods and canned goods) will become valid November 1, and will remain valid through December 20, 1943. Blue stamps X, Y, and Z (for processed foods and canned goods) from Book Two are still valid and will remain so through November 20. Green stamps in Book (Continued on Page 7)

Night School Wants More Enrollments

Several of the night school classes being given at Jefferson Union high school still have room for additional enrollments, it was announced, this week, by the office.

The new sewing class, started last week, drew a large attendance and promises to be a very popular feature. Newcomers are still welcome. The business machines course can handle more students, as can Beginners' English. This latter class is for those who have received their Citizenship papers but still need more training in the reading and speaking of English.

Night school is held every Tuesday and Thursday evening from 7 to 9 o'clock.

Senior Wardens Will Meet, Oct. 29

Next meeting of the Daly City Senior Air Raid Wardens is scheduled for Friday, October 29, 8 p. m. at the city hall, 75 Wellington avenue.

At the Friday, October 15, meeting, Chief Air Raid Warden Harry Mellicker distributed copies of the new dimout regulations as well as the large posters of Proclamation No. 19 to place in their territories. Printed instructions will be supplied to all householders by the wardens.

Under discussion was the October 28 test for air raid wardens and other civilian defense personnel to be conducted in Sections 1 to 10 inclusive.

Draft Board Mails Form 41 To Fathers

Mrs. Isabelle Flynn, chief clerk at Daly City Draft Board No. 103, announces that Form 41 is now being mailed to the rest of the Pre-Pearl Harbor fathers in this area. Approximately 30 per cent of the survey forms were previously sent out.

Form 41, which must be filled out and returned by the recipient in five days, is not an order to report for induction at all, Mrs. Flynn pointed out, in an effort to forestall the type of confusion which resulted when the new information forms were first mailed to fathers. It is simply a form which will give the draft board up-to-date information on the economic and family status of the registrant.

Mrs. Flynn advises the fathers that the form must be filled out COMPLETELY, signed, and notarized.

In the contingent of men which reported for induction, October 9, from the local board headquarters, another name is to be listed in addition to the names of the men published last week. He is John Lyman Lawrence, Forrest Home auto court, Colma, who entered the U. S. Army.

Next call here will be that on October 26 for ten men.

Name Members Of City Committees

With the appointment of Howard McHugh to the board of councilmen, the personnel of the city's committees, which play an important role in Daly City affairs, was reorganized.

Announcement of the new lineup on the committees was made at the Monday night, October 11, council meeting.

The standing committees and their members are: Library, Councilmen Edmund Cavagnaro, Howard McHugh, and John Fahey sr.; Printing, Cavagnaro, Councilman Eugene V. Lynch, and Mayor A. J. Gaggero; Street, Fahey, Lynch, Gaggero; Water and Light, McHugh, Cavagnaro, Lynch.

Fire committee, Gaggero, Fahey, Lynch; Health, McHugh, Fahey, Cavagnaro; Parks, Cavagnaro, Fahey, McHugh; Transportation, Lynch, Fahey, Cavagnaro, Gaggero, McHugh; Recreation, R. L. Crane jr., James Ferguson, Mrs. Maisie Boyle, Mrs. Ann Eason, A. J. Bodien, Gaggero, Cavagnaro, Fahey, and McHugh.

Publicity committee, McHugh, Gaggero, Lynch; Building, Fahey, Cavagnaro, McHugh; City Planning, Fahey, Cavagnaro, McHugh; Finance, Lynch, Gaggero, Fahey; Police, Lynch, Cavagnaro, Gaggero.

Plan Hallowe'en Party For Servicemen's Club

Mrs. Maisie Boyle, Mrs. Anne Eason, and Mrs. Margaret Steele, in charge at the Daly City Servicemen's club, 6201 Mission street, announce that a Hallowe'en party, complete with traditional refreshments and decorations, is planned for Saturday, October 30, at the center. Girls will wear costumes for the event.

Sunday, Monday, and Tuesday, October 24, 25, and 26, Emydian Institute No. 154, Y. L. L., will be hostess organization at the club. Currently, the Daly City-Colma Lions club is taking charge.

The Lions will conclude their week with a social, Saturday night, October 23.

War Council Arranges For Drill

At tonight's meeting of the Daly City Civilian War Council, final plans for the drill of Thursday, October 28, are to be made, according to Director A. J. Bodien. All members of the council are urged to be present at 8 p. m. sharp at the city hall, 75 Wellington avenue, for this evening's important session.

On October 28 all services in the home protection setup will be called into play in the area north of Wellington avenue and Bepler street. The control center will be operating with a full staff on hand to insure an adequate test.

Bodien has applied to the California State War Council for financial assistance to secure clerical aid in compiling and filing the C. D. personnel records as required by law.

Two Men Hurt In Auto Accidents

Two Colma men were injured in auto-pedestrian accidents over the weekend, according to Daly City police reports.

On Sunday, October 17, 10:05 p. m., Joseph Krysko, 193 Santa Marina street, San Francisco, who was driving a DeSoto coupe, hit Antonio Garibaldi, Colma, at Market and Mission streets.

Garibaldi was rushed to Alemany Emergency hospital in the Company No. 1 fire truck by Kai Peterson and Dean Woods. He was treated for compound fracture of the right leg. He also received bruises on the head and arms. Later, the fire truck transferred him to the Community hospital at San Mateo.

Daly City police held Krysko's car.

On Monday, October 18, at 12:50 a. m., Fred Santini, Colma pedestrian, was hit by a car driven by...

Daly City War Chest Campaign Needs Cooperation

Local Workers Urge "Give Where You Live"

To aid the starving and the dying!

To serve our men in the armed forces!

To help those on the home front, who cannot help themselves!

Those are the principal reasons that Daly City residents are opening their hearts and pocket-books to the War Chest appeal now in progress.

The one great campaign unites the appeals of 17 war relief organizations operating all over the world, and San Mateo county agencies providing health and welfare services. The county goal is \$225,580—the largest amount ever sought here for welfare purposes.

According to reports received at the War Chest, human needs were never greater. Typical, is a report from Greece stating that since 1940, 19 out of every 20 babies born have died of starvation. Without the aid of Greek War Relief, one of the agencies to benefit from the War Chest, it is believed that Greece, as a nation, would completely expire.

By uniting all appeals into one tremendous drive, campaign and administration costs will be cut two thirds. In view of the manpower problem both the saving in costs and volunteer effort make the unified appeal a necessity.

In Daly City, Mrs. Marce Trier is district chairman. Contributions may be sent directly to her at 158 Woodrow street. Checks should be made to the Daly City War Chest. In addition, a large corps of volunteer workers is making a house-to-house canvass for donations.

Mrs. Trier has appointed Miss Lillah Brown at the Daly City branch, Bank of America, treasurer for the Daly City War Chest. District leaders include: Precincts 1-5, Mrs. Anne Eason, division chairman and Mrs. Maisie Boyle, precinct chairman; Precincts 6-10, Mrs. Martha Wegner, division chairman and Mrs. Olga Bordson, precinct chairman; Precincts 11-15, Mrs....

Bodien Represents City At Two Meets

Two important meetings were covered for Daly City by Water Department Superintendent Arthur J. Bodien, this week.

On Monday, October 18, Bodien met with other heads of utilities in San Mateo county to discuss the pooling of materials in the nine Bay area counties to be utilized in the event of a major disaster or raid. If one community suffered serious damage to its utilities, it could draw on the reserves of the other cities in the area.

On Sunday and Monday, October 17 and 18, Bodien attended sessions of the convention of the California Municipal Utilities association, held at the Sir Francis Drake hotel in San Francisco. He reports that the Central Valley...

Jeff High Team Loses League Game

Losing its opening league game of the 1943 season, the Jefferson Union high school football team bowed to Burlingame, 20 to 0, last Friday afternoon. The game was more evenly played than indicated by the score, with one touchdown scored in each of the first, second, and third quarters.

Jeff players were on the defensive throughout, the tactics made necessary by lack of experienced backfield men. With those positions filled with erstwhile tackles...

FASHION NEWS

TRADITIONAL

[[ALLMARK OF PERFECT TAILORING is the velvet-collared coat style, called Chesterfield after the English earl of the 18th Century, who introduced the timeless fashion. Solid practicality accompanies the modern version, adopted by CBS starlet Sybil ("Let's Pretend") Trent for a near-round arau flannel suit.

Romantic Lace

NOBILITY OF BLACK LACE, fine as Victorian duchesse, bestows aristocratic distinction on the simple dinner dress designed especially for CBS emcee Mary ("Roma Show") Astor. Sequin straps modify the wide front décolletage and trim the shoulder bows and hair ornament, replacing jewelry. Hoop skirt fullness is simulated by a wide horsehair band lining the floor-length hem. (From Saks-Fifth Avenue, Beverly Hills, Cal.)

Good Neighbor

AUTHENTIC GUATEMALAN DESIGN, in colorful cotton and rayon, has been imported from the hand looms of South America to give unique charm to the jacket worn by CBS Brazilian soprano Olga Coelho. The back of the jacket, sleeves and skirt are of fine black wool. (Original creation of Renee Field, New York.)

Goodwill Plans Annual Open House

The annual Open House of Goodwill Industries of San Francisco is to be held October 21, 22, and 23. The time is 1 to 4 o'clock each afternoon. The place is 986 Howard street.

Visitors will be taken on a tour of the plant where they will see what the handicapped employees do to repair and recondition the discarded materials donated by public-spirited citizens. As an agency of the Community Chest, Goodwill Industries has stressed the salvage of every possible item, not only to assist the handicapped but also as an aid in the War effort.

An opportunity will be given

CASUAL AS HER EMCEE ROLE is the favorite costume of CBS actress Mary ("Roma Show") Astor. The brown herringbone jacket, brown skirt and tailored white shirt coordinate one of the mix-and-match suit combinations that form the basis of an efficiently planned wardrobe. Two tone tweed effects bespeak the master craftsmanship which women have developed in the casual suit field during recent seasons.

all Open House visitors to see Goodwill's two new moving pictures, in color and sound.

Mrs. Paul E. Springer, chairman of the Open House committee has planned short programs featuring musical numbers and talks by members of the board of directors.

Interesting exhibits of the odd and unusual will be open to all. Dolls, After-dinner Coffees, odd bits of silver and glass, old purses and even such things as an old iron clock and a box from the Gold Rush Days will be spread out to see.

Everyone is invited. Come and learn more of Goodwill's plan.

Navy Man Claims Miss Kaye Abrami At Altar, Sunday

Miss Kaye Abrami, attractive daughter of Mr. and Mrs. Emilio Abrami, and popular proprietor of Kaye's Smart shop, 66 School street, became the bride of Romie J. Romoni at a lovely church wedding, Sunday, October 17, at St. Elizabeth's church, 465 Brussels street, San Francisco.

It was an all-white wedding, with the bride gown in white satin with a long train and a lace-trimmed long veil. She carried a bouquet of a dozen purple and white orchids. Her maid-of-honor, her sister, Miss Lydia Abrami, wore white net and carried a bouquet of orchid carnations. Her bridesmaid, sister of the groom, Mrs. Leroy Schulz, wore white chiffon and carried a bouquet like the maid's-of-honor.

The church had been beautifully decorated for the ceremony. A small reception followed the ceremony, while in the evening a banquet for the immediate circle of friends and relatives was held at the Riviera restaurant in San Francisco.

The groom is with the U. S. Naval Reserve. Prior to joining the Navy he was in the men's apparel business. For the past 18 months he has been on duty in the war zone.

The bride has maintained a highly successful women's and children's clothing shop on School street for the past several years.

The couple are making their home in San Francisco.

IN INDIA NOW

Roy DeVincenzi, above, is now in India with the U. S. Army. He was president of the student body at Jefferson Union high school in 1942 and has a wide circle of friends here. His parents are Mr. and Mrs. Louis DeVincenzi, 280 Hillcrest drive. He is a private first class.

Freund Receives Gunner's Wings

Aviation Cadet John F. Freund, whose photograph and a story from the Carlsbad Army Air Forces Bombardier school appeared in last week's Daly City Record, received his silver wings as a gunner at Las Vegas, Nevada, August 30.

Freund was graduated from Crocker grammar and Jefferson Union high schools here. He is the son of Mr. and Mrs. V. Freund, 119 Alexander avenue, and hopes to be home on furlough after he gets his commission and wings at the bombardier school in New Mexico.

Negro Sociologist To Present Talks

The noted negro sociologist, teacher and author, Dr. Charles Spurgeon Johnson, Ph. D., will deliver four talks on "Race Relations in the Urban Community" at the San Francisco center of University Extension, 540 Powell street, Thursday evenings, 7:30-9:30 p. m., beginning October 21.

The series of four lectures is intended as an approach to the study of social, economic, and psychological aspects of negro-white adjustment in an urban environment. "It is hoped," states Dr. Johnson, "that this study will be a step toward the important task of promoting an harmonious understanding between the races."

Dr. Johnson is the director of social sciences at Fisk university, Nashville, Tennessee. He received his A. B. at Virginia Union university and his Ph. D. at the University of Chicago. He is the director of the race relations program of the American Missionary association.

One Job Well Done Begets Another

THERE'S no satisfaction in all the world like the feeling of having done a job well—of being able to see the results of your work. This is one thing that all producers of useful things have in common.

And those of us whose job is production—whether of goods on farms and in factories, or of services in stores and banks and utilities—can best see the results of our work in the high standard of living which we have helped to create in America. For this standard is built on our ability to produce more per person than any other nation on earth. And the people of every country, who are looking hopefully to us for food and weapons, can count on America because it has this great productive might.

After the war is over? Many people are talking about a richer life for all of us then. And they're right! For that richer life will be brought about, not by promises, but by hard work on the part of America's producers. And they—those who grow and make and do things—can do this post-war job better if they work together and understand each other. General Electric Co., Schenectady, N. Y.

"HERS TO HOLD" AT DALY CITY

Stirring romance and appropriate, believable drama, have been deftly blended and brought to the screen in Universal's very special production, "Hers To Hold," which opens tonight at the Daly City theatre. Deanna Durbin and Joseph Cotten are co-starred in a story, remarkable for its timeliness and completely satisfying for its vivid emotional appeal.

Charlse Winninger, Evelyn Ankers and Gus Schilling have important supporting roles and large cast includes Nella Walker and Ludwig Stossel.

"Hers To Hold" is by far the most serious picture in which

Miss Durbin has been presented. Though the plot has its lighter moments, musical interludes and other diverting highlights, the bright romantic thread is never obscured. There is a throbbing love theme which grips and holds attention from beginning to end. Deanna portrays the debutante who adores an Army aviator. The aviator returns her love but secretly realizes the futility of the attachment. Cotten has the latter role and surpasses his previous performances as the story reaches its happy but profound conclusion.

Concise, effective dialogue adds to the film's impressiveness and a feeling of realism has been accomplished through the use of authentic backgrounds which have been photographed with newsreel fidelity. Particularly effective are scenes actually made inside the vast Vega Aircraft plant in Burbank, California. Filmed by special permission of U. S. Army officials, these sequences reveal intimate elements behind the building of America's mighty air armada.

Lewis R. Foster wrote the screen play of "Hers To Hold" which is based on a story by John D. Klorer.

Deanna's songs, "Begin The Beguine," "Kashmiri Song," "Say A Prayer For the Boys Over There" and "Seguidilla" are presented under the supervision of Musical Director Charles Previn.

Local Man Gets Promotion

Joseph Gennai, a resident of Daly City, recently received his second promotion when he was promoted from private first class to corporal at Fort Mason, where he is attached to the Headquarters company.

Corporal Gennai, who entered the Army, January 25, 1941, is the brother of Mrs. Margaret Rovere, 239 Woodrow street, Daly City.

WAR CHEST

A new weapon of war has been devised, produced, and perfected, and now has been placed in the hands of the American public to operate.

This new instrument of war is the National War Fund, which combines 17 great national war causes in one tremendous campaign. Our local war chest drive is a part of this nation-wide effort to support the USO, services to war prisoners and the merchant marine, and the organizations which provide relief for our beleaguered allies.

It is a potent weapon. It will fight alongside our sons and brothers who are spilling their blood on the far-flung battle fronts of the world. It will fight with the war-scarred Russians and Chinese, with our British brothers in arms, with the starved, oppressed peoples whose spirits cannot be crushed by the heel of the Jap or the Nazi. And it will guard our home front against disease and delinquency, fend off the weaknesses to which any nation at war is subject.

Our security today we owe to the men who are fighting our battles, fighting for our homes, our families. The future of every American hangs on the victories these men achieve, the defeats they suffer. It becomes our solemn duty to do everything in our power to help them win this life-and-death struggle.

Support of this all-inclusive campaign is a privilege open to all Americans. It's up to us to put the ammunition in this new weapon.

THE FEAR OF PEACE

Beyond doubt, the one thing the subjugated peoples of Europe most desire is peace.

Yet, on the occasions when peace has seemed suddenly near—as it did temporarily when Italy collapsed—a strange fear has swept over them. This is especially true of the little nations which extend from the Baltic through the Balkans.

At first glance this appears paradoxical. And yet, it isn't. To them war is horrible, but peace also has its grave aspects. To them, peace does not bring an end to conflict. In fact, the conflict hasn't stopped in centuries, for these small nations are the chips in Europe's eternal poker game.

The post-war problems of Norway, Holland and Belgium will be great, but these problems will be almost entirely economic. With the Baltic and Balkan states economic difficulties will be but one of many problems.

Of paramount importance will be the question, Who will get what? What will be the status of the three little Baltic nations of Lithuania, Latvia, and Estonia? How will Poland emerge on the post-war map? Who will get Transylvania? Can Yugoslavia reconcile the sharp differences between her various groups and resume her status as one nation?

These are the chronic ailments that will again plague these nations once the violence of war is past. In view of this, the "fear of peace" is somewhat understandable.

THE MISSING GIZZARD

This story might be entitled, "The Mystery of the Missing Gizzard," or "Look Before You Leap."

It all began when a customer reported to the OPA that a retail dealer had sold her a chicken which—of all things—didn't have the gizzard in it.

Swiftly the OPA machinery began to clank in pursuit of justice. The retailer was summoned to answer the complaint. In due course, he stood, hat in hand, before the august OPA board.

Astute OPA attorneys began questioning. Yes, he had sold the chicken. No, he didn't know what had become of the gizzard. How had the chicken been sold? According to weight. Then since the gizzard was not in the chicken the sale price was just that much less than it would have been otherwise? Correct. The decision: No violation of the law. Case dismissed.

The dealer put on his hat and went back to his store—at least half a day wasted.

The moral of the story is: It's all right to report price violations when you're sure—but be sure first. You'll save everybody's time, especially that of the retailer who, between increased problems and decreased help, needs every minute he can get.

We'll bet that chicken didn't know how important her gizzard was.

WEATHER "RETURNS"

The strange "disappearance" of the weather which occurred on that certain December 7, has finally been solved. The War department has returned it unharmed. Thus one of the deep mysteries of modern times has been cleared up.

Of course, the sun has stayed on the job right along, the rains have fallen pretty much as they should and the winds have blown—but not officially. As far as Uncle Sam was concerned the weather had ceased to exist.

That's all changed now. The weather is ours once again to enjoy or to complain about. Undoubtedly, it will resume its proper place in the drawing-room conversations. Come to think of it, just what HAVE people been talking about since the war began?

Hillcrest Druids Announce Whist

Daly City vicinity whist players are cordially invited to attend the Monday, October 25, whist party to be given by Hillcrest Circle No. 143, U. A. O. D. at Masonic hall, 17 Hillcrest drive. Playing will begin at 8:30 p. m. and many beautiful prizes, including three cash awards, are to be given.

Opera Association To Open Season With Chorus Oct. 31

The San Francisco Opera association will open its 1943-44 concert season, Sunday afternoon, October 31, at the Opera House, with a presentation of General Platteau's internationally famous Don Cossack chorus. The concert is the first of some score of major attractions to be offered in the Opera House during the current season.

This opening event follows the day after the closing of the Opera Association's Twenty-first anniversary season. On the following week-end, Saturday night, November 6, the Opera association will present its second concert attraction, Draper and Adler, famous dance and harmonica duo.

The Don Cossack chorus was organized in Prague in 1926 under the patronage of President Masaryk then president of Czechoslovakia and Foreign Minister Benes. It consists of 27 members under the direction of Nicholas Kostrukoff.

The concert here will be in the nature of a Russian Victory celebration, with a number of Shostakovich entitled "The United Nations," a victory march, as one of the features.

The program will also include Cossack soldier songs, folk songs and a number of examples of fine old Russian church music.

Tickets for the concert and all other attractions of the Opera association are now on sale at the Opera box office, Sherman, Clay and company, EXbrook 8585.

Q. Can heat be destroyed?

A. Heat is a form of energy, and energy is never manufactured and neither is it ever destroyed. But energy can be transformed from one kind into another. As a simple example, let us look at our steam engine. Heat converts water into steam which in turn causes the engine to work. Heat energy is converted to mechanical energy. The mechanical energy may be reconverted to heat energy, or it may be changed into electrical energy; chemical energy may be transformed to electrical energy; electrical energy may be changed into mechanical energy, and so on.

Q. Can plastics be made from mica?

A. Plastics in the ordinary sense of the word are organic products and, of course, cannot be made from mica which is inorganic. However, mica can be used in producing a substance that is plastic; that is, a substance that can be shaped or molded. Mica is employed in one ceramic plastic called Mycalex.

Q. What are resonant vibrations in a radio receiver?

A. Resonant vibrations, commonly known as "squealing," might be caused by a tube that was microphonic under certain conditions. These conditions might be due to any

one of several things, such as the sound reflections of the cabinet, the replacement of the radio set near a wall of the room, or when certain frequencies are produced from the cone. In any event, it is a combination of mechanical vibration of the tube and the conditions made up in the radio set. This mechanical vibration in the tube sets up electrical vibrations in the audio amplifier which are reproduced in the speaker in the form of a howl or squeal.

Q. How can rays of heat from the sun pass through more than 90 million miles of intense cold between the sun and the earth's atmosphere and still be so warm when they reach the earth?

A. Infrared rays, traveling at the velocity of light rays, are the ones responsible for our heat from the sun. They have no heat in themselves, strangely enough, but produce heat in an absorbing object when they fall upon it. The rays make our air warm because they are partly absorbed by it as they pass through. More of the rays are reradiated from solid objects, such as the earth itself, for instance, when the infrared rays fall upon them. These reradiations also heat the air. Aviators find it so cold in the upper regions of our sky lanes because there is so little air there to be heated.

Ben G. Rosenberg Weds Sacramento Girl

With the sudden arrival of C det Ben G. Rosenberg, Daly City from his Army Air Force post Wyoming, plans were hurriedly made for his marriage to Miss Estelle Rosalyn Cohen. The wedding took place, Thursday of last week.

Manuel Cohen escorted his daughter to the improvised altar before the massive front window of the Cohen's Land Park drive home in Sacramento. An all-white flower and candelabra theme prevailed in the decorations before which Dr. Alexander Feinsilv read the ritual.

The bride wore a white slipper satin gown, fashioned with a dro shoulder line accented by a mai quissette yoke and high neck line. The long sleeves ended in points over her hands and the full skirt was over a hooped skirt and lengthened into a train. Holding her fingertip length veil in place were clusters of mother of pearl orange blossoms at her temple. She carried three deep purple throated orchids surrounded by an arrangement of gardenias.

Attending their sister were the Misses Bernadine and Phyllis Ann, who wore peach and pale blue taffeta dresses and carried clusters of gardenias.

Standing with his brother as best man was Maurice Rosenberg, 262 Hillside boulevard, Daly City.

A family dinner took place following the ceremony for which the bride's mother, Mrs. M. Cohen, wore a black sequin trimmed crepe dress and a corsage of orchids. Mrs. S. Rosenberg, Daly City, was in black crepe highlighted by light blue details and a corsage of orchids.

The same evening the newlyweds departed for the cadet's base in Laramie, where Ben is studying at the University of Wyoming.

Ben is the son of Mr. and Mrs. S. Rosenberg, 876 Brunswick street. He attended schools here and later studied medicine at the University of California in Berkeley, where he was affiliated with the Zeta Beta Tau fraternity.

The bride attended Sacramento high school and is a past president of the Ayudante club. She was a member of the Alpha Epsilon Phi sorority at the University of California.

BONDS 'N STAMPS

Any bonds today? If you want to buy any Jefferson is about the handiest place to buy them. Trying to reach the goal of \$75,000, Jeff has already collected in one week, \$3,813.65. The students have collected approximately \$4,800 for the month of October. And—for the semester the total is about \$17,000. This may seem a lot, but only a few of the students have shown any spirit towards collecting or even buying any stamps and bonds.

During these two weeks of team competition the boys have bought only two bonds. One of these was the past president, Roy DeVincenzi, now stationed in India. He heard that Jefferson was having a drive and wanted to help out so he bought a \$50 bond. He plans to buy more.

The team now leading is the sophomores. The winning team will be announced either October 22 or Monday, October 25. They will be chosen by a faculty committee, and the winners will receive a \$20 prize.

RALLY

The "Jential Creamery" was the setting for last Friday's pep rally. Can you imagine three Burlingame men walking into the "Jential Creamery" and running down Jefferson. That's what happened and with Jefferson men there you can imagine the climax—a rip-roarin' free for all!

There was a dance sequence featuring Rose and Benny Greenough, Irene Anderson and George Perada. Others who participated were Winnie Grant, Eugene Grant, Rita Lozano, Ken Martin, Bob Olson, Eve Bryan, Emile LeMoine, Jerry Root, Jennie Guisti, and Elsie Belli.

It was Jennie Guisti who originated the idea for the rally.

Oscar Busch and the Jefferson band took an active part in the performance.

Both coaches, Elman Rose and Marion Hall, had a few remarks to make about the basketball and football teams.

A few yells were given and from the response everyone sounded as if they were all in the spirit of winning—as they should be.

COMMITTEE MEMBERS

Members of the sergeant-at-arms committee are as follows: Dave Johnson, Don Nelson, Beverly Clement, Metha Woods, Ted Prescott, Bud Fellows, Richard Kroncke, Frank Petiti, Ray Chelone, Wilma Casas, Alberta Marks, Merle Van Kirk, Walter Hughes, Pat Morocco, and Angie Bernardi. You better be good this term chillun'.

LIBRARY

A number of new war books have been added recently to the Jeff library. Not only serious books but some fiction and at least one book of very funny essays are included in this collection.

"See here, Private Hargrove," by Marion Hargrove of the United States Army, the hilarious account of an awkward rookie's misadventures in the Army, is a book that promises real entertainment for everyone.

Other titles which should also provide many hours of reading pleasure are: "Into the Valley" by John Richard Hersey; "Behind the Japanese Mask" by Jesse F. Steiner; "Sunward I've Climbed" by Herman Hogedorn; "Air Patrol" by Henry B. Lent; "Aviation Cadet" by Henry B. Lent; "Here is Alaska" by Evelyn Stefansson; "Ocean Outposts" by Helen Fallett; "Guadalcanal Diary" by Richard Tregaskis; "Assignment in Brittany" by Helen MacInnes; and "Pied Piper" by Nevil Shute.

ABOUT SCHOOL

The Indians of Rhythm are currently practicing for another dance and also for an assembly program for the freshmen. The dance is to be October 29, and the program probably tomorrow.

Rehearsals are now being held for vocalists.

The dance for October 29 is being sponsored by the Entertainment committee. The title given for it is "Ghost Rendezvous."

Members of the Girls' Block "J" society have not been able to keep up with the demand for pom-poms. They have already sold over 100. They are beautifully made in the school colors, blue and gold.

A film "Report from Russia" was shown, last week, in assembly.

Jefferson will be represented this year at the Central California Press Association convention to be held, October 30, at Stanford university by one student and the advisor.

The editor and an advisor will be the only Jefferson representatives. The editor of the "Totem Pole" has not been chosen as yet.

Packer Juniors Defeat Amazon Team

The Farallone Packer Juniors made it two in a row over the Amazon Juniors as they won Sunday's repeat game at Marchbank park, 5 to 1. A week earlier they had downed the visitors with an 8-3 score.

Operating with a battery comprised of Ritchie and Marioni, the little Packers totaled nine hits while their opponents were credited with four. McLaughlin, LePiane, and Ryan were the Amazon battery.

In the 11 o'clock game at Marchbank park, next Sunday, the Packer Juniors are scheduled to meet Marin Dell boys. At 2 p. m., an exhibition has been arranged between the Owl Drug Juniors and Stacks Bank Club of Alameda. The latter teams have each won a game over the other, moving to the neutral Daly City field for the playoff.

Seventeenth Dist. Will Meet Today

Seventeenth district, C. C. P. T., will hold its executive board meeting of officers, chairmen and unit presidents, today, October 21, in the little theatre of Burlingame high school at 10 a. m. This year the district is streamlining its program by holding only one meeting each month instead of two. Consequently board meetings will alternate with regular district meetings. Next month a regular meeting will be held in South San Francisco.

Members will register at 10 a. m., today, and the meeting will be called to order at 10:15 by Mrs. Stella Jensen, president. After the business session, Mrs. J. S. Combatalade will hold a parliamentary drill for unit presidents. Warren Natwick, legislation chairman and principal of Boral school, will talk on legislative matters of interest to the schools of the State. Mrs. R. Z. Taylor will present war activities to be taken up by the district this year and Mrs. R. L. Holder will give brief instructions on the State correspondence course of P. T. A. methods.

This will be a half day meeting, adjourning at noon. Any interested persons may attend the board meeting although they are not executive board members.

Daughters Of Israel Postpone Whist Party

The Daughters of Israel have postponed their public whist until Thursday, October 28, this month. Playing will begin at 8:30 p. m. at 67 Los Banos avenue, and the public is cordially invited to attend.

Mrs. Ann Meyer, chairman, announces first and second cash prizes and other nice awards.

NEWS FROM THE FOOD FRONT

by Elsie, the Borden Cow

Food is a weapon of war. We need more of it than ever in history. Egg production alone must reach 5 billion dozens! And we'll make it—thanks to the half-million farm workers sticking by their posts on the poultry farms and ranches!

America's harvest of apples, oranges, walnuts, pears, peaches, apricots, berries, prunes, grapes and other fruits will total nearly 14 million tons in 1943... The 3½ million men, women, boys and girls who volunteer to help save our crops for victory are making a mighty contribution!

The hand that feeds us, needs us! Men, women, boys and girls: enroll now in the U. S. Crop Corps. Sign up now at your nearest Farm Labor Office. Help save California Crops for Victory!

THE BORDEN COMPANY, through its close association with the producers of America's food for over 80 years, fully appreciates the responsibility the farmer bears in this war. Borden's urges every man, woman and child to back the farmers up.

Qualifying Test To Be Given Nov. 9

The next qualifying test for the Army Specialized Training program and the Navy College program will take place in high schools and colleges throughout the nation at 9 a. m. Tuesday, November 9, Twelfth Naval District headquarters announced today.

Graduates of the Army and Navy programs will serve as specialists, technicians and officers after completing a comprehensive training at a selected college. The test will provide an opportunity for eligible boys to qualify for training at the college level in fields of study for which the Army and Navy have vital needs.

Male high school seniors in their last semester, recent graduates and college students not now in the armed services who will reach their seventeenth but not their twenty-second birthday by March 1, 1944, are eligible to take the qualifying tests.

Daly City boys who are interested are to get their instructions and take their exams at Balboa high school in the Excelsior district of San Francisco, according to authorities at Jefferson Union high school.

Mrs. Trier made a special appeal for Daly City people to "give where they live" as this community is in San Mateo county and as far as the home service agencies in the drive are concerned the total provided for them will fall short unless county residents make their donations here "at home."

Bodien Represents

(Continued from Page 1) ley project was discussed in detail.

Principal study taken up during the convention was that of post-war planning, "Blue Printing for Tomorrow."

It was strongly urged that all cities prepare to make developments neglected during wartime and simultaneously to provide employment for those who may be without work in the postwar period of adjustment. It was said that utilities in all California communities must be developed to a higher degree of efficiency as the influx of population due to war conditions will probably find most of the newcomers staying on after victory.

SOMEWHERE IN THE PACIFIC AREA

Seated on the running board of the Army vehicle above is Private First Class Jack D. Faulk, son of Mr. and Mrs. Lewis Johnson, 858 Brunswick street. He has transferred to the Coast Artillery and is now "somewhere in the Pacific area." A graduate of Jefferson Union high school, Faulk is remembered here for his football career at the local high school. The boys with him in the photograph are friends, one from San Francisco, and one from South San Francisco.

BASKETBALL TEAMS WIN

Jefferson high school's 110- and 120-pound basketball squads won their opening games of the league season, last Thursday, by defeating Burlingame, by lopsided scores. Coach Elman Rose's 110s triumphed with a 29-10 score, and the 120s repeated with a 44-9 win.

Starting lineup for the 110s was Greenough and Piccard, forwards; Parodi, center, and Valverde and Decker, guards. For the 120s it was Denning and Chelone, forwards; Perada, center, and Welsh and Grant, guards.

Flushed with early season suc-

cess, however, the squads fared less well in practice games the following Tuesday. The 110s came through with a win, 27 to 15, over a similar team from Mission high school, while the 120s lost, 15 to 27.

In their second league appearance, next Friday, the clubs are scheduled to meet South San Francisco. The games will be played on the Daly City floor, and at the time the Record went to press, it appeared likely they would be arranged to start at 7:15 p. m.

Local Police Recover Stolen Chevrolet Sedan

Daly City police recovered a gray Chevrolet sedan, owned by Guido Casentini, Thursday, October 14. The owner reported it missing, Wednesday, October 13, at 5:50 p. m. Local officers found it in the vicinity of the Owl garage, opposite Millett's auto court, and returned it to Casentini.

Sergeant Ricco Benedetti and Officer Henry Sundermann jr. extinguished a fire which originated in the broiler of a stove at 120 School street, Wednesday, October 13, at 7:55 p. m. Grease caught fire and occasioned the blaze.

On Thursday, October 14, local police jailed John Dockin on a vagrancy charge after he was reported trying to steal watermelons at Keithley's market, 6290 Mission street.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

They "KNOW" There's A War On"

The Perry family at 519 San Diego avenue is in the war in earnest.

F. P. Perry, a veteran of the Spanish-American war and World War I and a member of the U. S. Navy from 1898 to 1928, has a son and daughter and a son-in-law in the thick of things.

Gordon F. Perry, a sergeant in the U. S. Army, is somewhere in the South Pacific. A graduate of Jefferson Union high school, he took his preliminary training at Camp Joseph T. Robinson, Arkansas, and at Fort Bliss, Texas.

Mrs. Jimmy Fox, the former Miss Dolores D. Perry, is a Red Cross nurse now on duty somewhere in Africa. She took her training at Kansas City. She's a graduate of Jefferson Union high school.

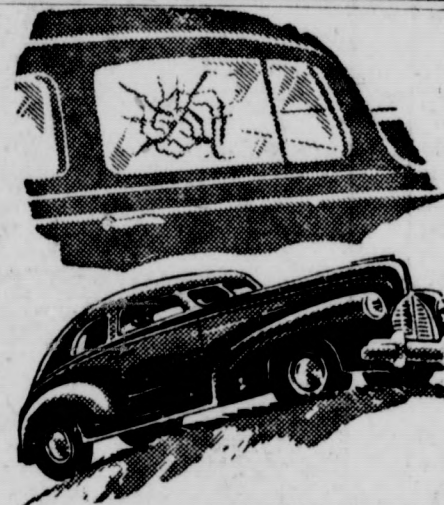

Her husband, Jimmy Fox, is with the U. S. Army Engineers in Africa. He is a corporal and took his training at Fort Howze, Texas.

Shakespeare Group To Open At Geary

John Carradine and his Shakespeare Players will open a two week engagement at the Geary theatre in three of Shakespeare's most colorful dramas on Sunday night, October 24, at 8 o'clock.

One thing war and modern hurry can never do is to dim the lustre or lessen the glamour and thrill of the Shakespearean theatre. The stage of Shakespeare is ageless. If his characters wear the dress of the Italian Renaissance or of England of the Seventeenth century, the words they speak are as living and significant as they were when the Bard of Avon first put them on paper.

One of the most exciting things about Shakespeare's plays is the realization that every performance introduces his literature in flesh and blood to a new group of theatre-goers: those who have studied him in school; who know him only by the printed page; those of all ages who for the first time laugh and love and weep with him and see the pageantry and color with which he peoples his stage.

John Carradine is well prepared by a brilliant reputation in playing Shakespeare. His direction is modern but loses none of the traditional beauty of the originals; and the settings are the John Barrymore settings designed by Robert Edmond Jones.

The schedule of performances at the Geary will be: October 24, 25, 26, 27, 28 and 29, "Hamlet," with the curtain at 8 sharp. On October 30, 31, and November 1, 2 and 3, "The Merchant of Venice," and on November 4, 5 and 6, "Othello." Matinees will be presented on October 30, with "The Merchant of Venice," and on November 6, with "Othello."

Curtain time for "Merchant of Venice" and "Othello" will be at 8:30.

Holy Angels Parish Arranges Benefit

Father James Sorasio today reminded the public that parishioners of Holy Angels church, Colma, will give an entertainment and fair, Saturday evening, November 6, at Colombo hall. All proceeds will go to the building fund of the church.

Entertainment, including music and dramatic presentations, is to be featured. Dancing and refreshments are planned and there will be a large number of attractive booths.

"Come and enjoy the festivities," Father Sorasio invited. The program will get under way at 8 p. m.

and ends, offensive plays were out of the question. Coach Marion Hall's small squad was further reduced for the game with eligibility and injury troubles.

Starting lineup for Jefferson included Ken Hatt, center; Al Bermudez, right guard; Don Nelson, left guard; Ernest Day, right tackle; Wilbur Fellows, left tackle; M. L. Greenfield, right end; Bill Reed, left end; Don Van Kirk, right half; Merle Van Kirk, left half; Tulio Picchi, fullback, and Harold Tikkenan, quarterback.

Friday, October 22 (tomorrow), the team goes to San Jose for a contest with the Lincoln high squad of that city. This is a change from the previously published schedule, which listed the game as being held on the Daly City field.

Officers Roy Beecher and George Savage investigated the accident.

CITY COUNCIL BACKS SCHOOL'S P-38 DRIVE

A. J. Gaggero, mayor of Daly City, presents Lois Rich, chairman of the Stamp and Bond committee of Jefferson Union high school, Daly City, with a check for \$10,000, as James Ferguson, principal; Ken Hatt, student body president, and Miss E. Smith, faculty sponsor, look on.

At a recent meeting, the Daly City Council voted to invest \$10,000 of city funds in war bonds. With the announcement by the local high school that they had set as their year's goal the purchase of a P-38 plane, the council decided to help the students reach their \$75,000 goal by making the purchase through the school.

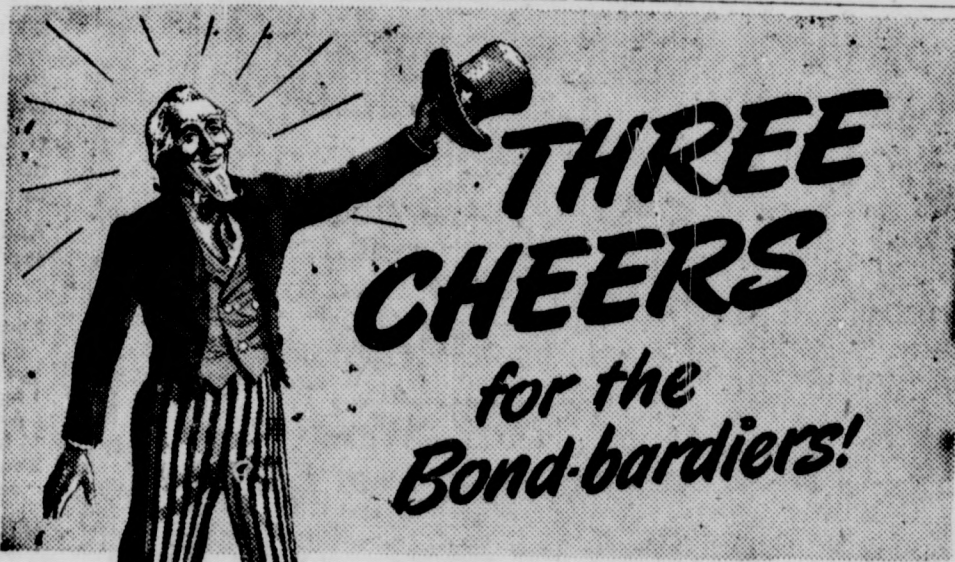

Jefferson high students have been the proud possessors of the Treasury Flag each month since March. A feature each month is an assembly to which the admission is the purchase of war stamps. The September assembly, one of the best ever offered at the school, was a musical program presented by the 55-piece Western Defense Command band. The band has previously played at the Opera House, the Civic center, and at the Fox theatre, and is credited with selling over \$10,000,000 in stamps and bonds.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Everywhere in California the Bond-bardiers are on the march... buying more War Bonds than ever before... urging you, too, to join their ever-growing ranks.

War Bonds are not only the best investment you can make today—an investment which pays good interest—but they are essential to the very preservation of your way of life.

So do this: each payday set aside just what you need for the essentials of living for you and your family. Then, invest the rest—every cent of it—in War Bonds.

Be a Victory Bond-bardier. Buy War Bonds at any branch of this bank.

Film Of London Bombing Shown At Oct. 14 Meeting

"I Was A Fireman," stirring war film taken during the bombing of London, was the motion picture shown those who attended the public meeting on civilian protection at the high school auditorium, Thursday evening, October 14. Sponsored by the Daly City Civilian War Council, with arrangements made by Chief Air Raid Warden Harry Mellicker, the meeting also featured a speaker from the California State War Council and from the Pacific Gas and Electric company.

The P. G. and E. representative, who had several large charts to illustrate his material, described the upkeep and repair of gas and electrical appliances during wartime. Topic of the state council speaker was "Morale."

BOOK FOUR

(Continued from Page 1)

Four will be used in exactly the same way as the blue stamps in Book Two—the letters indicate the validity period, the numbers indicate the point values. On November 1, sugar stamp No. 29 also becomes valid and is good through January 15, 1944.

Other stamps in War Ration Book Four will not be used until a later date. The stamps in Book Four labeled "coffee" were printed before coffee rationing was discontinued. No resumption of coffee rationing is planned, OPA said.

MAE WEST—is U. S. war slang descriptive of a tank with two turrets; also a life preserver worn high under the armpits. Millions of us won't ride tanks or cross the ocean so we must do our part on the home front and buy War Bonds to the limit to back the attack of our invasion forces.

Give him the
Brush-off!

NOW IS THE TIME TO RID YOUR GAS HEATING EQUIPMENT OF DUST AND DIRT

For clean efficient heat this winter give fuzzy-wuzzy dust a good brush-off in your gas heating equipment.

Dirt and fuzzy lint is drawn along the floor by air circulation into your floor furnace pit or the cold air returns of your central furnace. Remove floor grills and clean out this dust with brush and dustpan or use a vacuum cleaner attachment. If you have a forced-air furnace, oil the fan shaft and motor. Check the fan belt and see that it is not too loose. Replace your old filter pads if they are clogged with dust. Do this and you will get more heat for less gas usage. New filter pads are available without priority. Then, of course, be sure to have authorized gas heating repair dealer check up on your gas heating equipment at the first sign of trouble. Keep healthfully warm this winter but do not waste gas fuel.

Julia says—
Let the
Children Cook

LAST MONTH, in one of these columns, I talked about the way youngsters like to put up their own school lunches. And, to tell the truth, I was amazed at the number of readers—both young and old—who wrote me afterward. Almost everyone was quick to point out that the younger generation not only likes to pack lunches, but also gets real satisfaction from various kinds of practical cooking.

More than one reader added this very timely thought: nowadays, when so many mothers are busy with war work, it's a real family help when the children take an active part in making the kitchen run smoothly. It gives them the feeling of "doing something" important, too.

I've found through my own experience that youngsters make creditable cooks provided they're not hurried and provided they start out on things they really like. For example, boys can handle this one enthusiastically and skilfully, right off the bat:

WAFFLES AND PANCAKES

2 cups enriched flour ½ tsp. salt
2 tsps. baking powder 2 eggs
2 tsps. sugar 1½ cups milk
4 tsps. melted shortening

Sift flour, measure; sift again with baking powder, sugar and salt. Beat eggs in large bowl with rotary beater; add milk and shortening; beat until well mixed. Add flour mixture and beat with rotary beater until smooth.

For Waffles: Bake in hot waffle iron about five minutes or until no more "steam" escapes and waffles are a golden brown. Do not "peek" while baking. Makes six 6-inch waffles.

For Pancakes: Drop batter by tablespoonfuls on hot, slightly greased griddles. Turn cakes when bubbles break. Bake until golden brown. Makes 10 to 12 medium-sized pancakes (4 inches in diameter).

(NOTE: For the pancake recipe, eggs may be reduced to one and shortening to two tablespoonfuls.)

And these are a "natural" for girls to start out on:

BONNIE DEE COOKIES

2 cups enriched flour 1 cup seedless raisins
½ tsp. soda 1 cup coarsely chopped nutmeats
1 tsp. baking powder ¾ cup shortening
½ tsp. salt 1 cup brown sugar
2 cups quick oats 2 eggs
½ cup milk

Sift flour, measure and sift with dry ingredients; add oats, raisins and nutmeats. Cream shortening with sugar; add well-beaten eggs and milk; combine with flour mixture. Drop by teaspoonfuls on greased cookie sheet. Bake in moderate oven (375° F.) 12 to 15 min. Makes 6 dozen.

"Date Conscious"? You'd Better Be - -

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

August 16—stamp 14 in War Book One, good for 5 pounds of sugar, became valid; good through October.

September 22—No. 8 coupons for A book holders became valid. Good for 3 gallons of gasoline, each.

September 26—brown stamps C in Book Three became valid, good through October 30.

October 3—brown stamps D became valid; good through October 30.

October 10—brown stamps E became valid; good through October 30.

October 17—brown stamps F became valid; good through October 30.

October 20-23—registration for War Ration Book Four. See main news section for full details.

October 20—blue stamps U, V, and W for processed foods expired.

October 30—brown stamps C, D, E, and F expire.

October 31—last date to use stamps Nos. 15 and 16 in Book One, each good for 5 pounds of canning sugar. Stamp No. 14 also expires.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date indefinitely.

October 31—tire inspection deadline for B book holders.

November 1—housewives will start using green stamps A, B, and C in War Ration Book Four for processed foods. The stamps will be valid through December 20.

November 1—Book Three "airplane" series stamp No. 1 becomes valid; good for one pair of shoes.

November 20—blue stamps X, Y, and Z valid through this date.

November 21—No. 8 gasoline coupons good for 3 gallons each through this date.

November 30—deadline for inspection of tires, C book holders.

March 31, 1944—deadline for inspection of tires for A book holders.

NEW TIRE RULINGS

Eligibility for new passenger tires (Grade I) has been restricted on C book drivers with a mileage of 601 miles or more per month. All B drivers and some C book holders will now be eligible only for used and recapped tires.

The number of new passenger tires available for rationing in the October quota will be reduced by one-fifth, the OPA recently announced. Quota for farm tractor and implement tires for October is 59,800 as compared with 73,600 in September.

LEATHER SOLE SHORTAGE

Synthetic rubber and plastic will be used to help relieve this winter's leather shoe sole shortage, according to WPB. The output of rubber soles will be used on rationed shoes and for shoe repair.

Court St. Mary Schedules Social

Court St. Mary No. 1155, C. D. A., will have a social following their 8 p. m. business meeting tonight, October 21, at Masonic hall.

Chairmen are Mrs. Grace Bacigalupi and Mrs. Josephine Reardon.

WHICH DISH for "WITCH" DAY?

By BETTY BARCLAY

Red coupons — blue coupons — brown coupons and rationing: war work, clerical work, relief work and housework; what to choose is today's problem. Here are some suggestions for that Hallowe'en meal. Hope you like them:

Hallowe'en Party Punch

3 cups chilled milk
1/2 to 1 cup decaffeinated coffee
Sugar or syrup to taste
Top with whipped cream and nutmeg if desired

Shake well and pour over crushed ice. Serves 4. Remember that decaffeinated coffee, if percolated, needs "perkling" from 15 to 20 minutes, slowly and gently, to bring out its full, rich flavor. Decaffeinated coffee that is carefully brewed will satisfy the most exacting epicure and give everyone a chance to relax taut nerves and get a normal quota of rest.

How to Whip Light Cream

1/2 cup milk
1 1/2 teaspoons (1/2 envelope) granulated gelatin

1 cup light cream
Few grains of salt
Add milk gradually to granulated gelatin in small bowl, mixing well. Heat over boiling water until gelatin is completely dissolved, stirring constantly. Remove from boiling water, add cream and salt, and mix. Place in bowl of ice and water and whip with rotary egg beater 5 to 7 minutes, or until mixture begins to hold shape around side of bowl. Remove from ice water. Stir gently with spoon until smooth. Serve.
This whipped cream may be stored in refrigerator until needed. Mix thoroughly before using.

Peas with Mint

1 box (12 oz.) quick-frozen green peas
1/2 cup boiling water, salted
1/2 cup pea liquor
1 tablespoon chopped onion
1 tablespoon butter
2 tablespoons chopped mint leaves
1/2 teaspoon salt
Dash of pepper

Drop peas into briskly boiling salted water, bring again to a boil, and boil 5 to 7 minutes, or until just tender. Drain, reserving liquor; measure 1/2 cup. Sauté onion gently in butter until tender. Add peas, pea liquor, mint, salt, and pepper, and heat thoroughly. Serves 4. You can save time and work, too, if you use quick-frozen vegetables, for all the tedious tasks of preparation were done before quick-freezing sealed in a full quota of vitamins and minerals and all the country-fresh flavor.

Home Club Whist

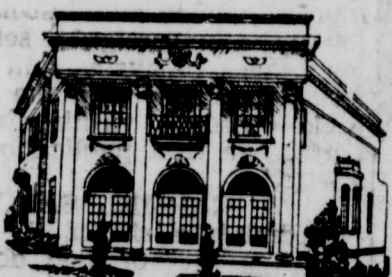

A public whist party has been scheduled for Tuesday afternoon, October 26, by the Ladies Home Club. It will be held at the Werner avenue clubhouse, beginning at 2 p. m.

In charge are Mrs. Anita Wright, Mrs. Catherine Wight, and Mrs. Fredericka Volkman. A cash prize and other awards are announced. Refreshments will be served.

Troop No. 4

Girl Scout Troop No. 4 is planning a Hallowe'en party to be held during their regular meeting time, Friday afternoon, October 29, at Legion hall. Games and refreshments will be enjoyed.

The committee of girls working on arrangements includes June Lemon, Hazel King, Claude Unselt, Lois Rentsch, Charlotte Taylor, and Janet Peterson. Mrs. Julia Peterson supervises the group.

Hallowe'en Fruit Cup

2 1/2 cups orange sections
1 cup watermelon balls or berries
1 cup fresh pear slices
1 cup orange juice
1/2 cup lemon juice
Sugar or honey to taste

Combine fruit with juice. Serve chilled. Serves six. This is a good appetizer or dessert.

Peanut Chocolate Rennet-Custard

1 package chocolate rennet powder
1 pint milk (not canned)
2 tablespoons peanut butter

Add peanut butter to milk in top of double boiler and beat with rotary egg beater to distribute evenly. Warm mixture to LUKEWARM. Proceed according to directions on package. Chill. When ready to serve, garnish with jam and a few peanuts if desired.

Honey Bran Muffins

1 1/4 cups sifted flour
1 1/2 teaspoons double-acting baking powder
1/2 teaspoon soda
1/2 teaspoon salt
4 tablespoons honey
1/2 cup sour milk or buttermilk
1 egg, well beaten
3 tablespoons melted butter or other shortening

1 cup Post's 40% Bran Flakes
Sift flour once, measure, add baking powder, soda, and salt, and sift again. Combine honey, milk, egg, and shortening. Add to flour, beating only enough to dampen all flour. Add flakes. Bake in greased muffin pans in hot oven (400° F.) 25 minutes. Makes 10 muffins.

Vanilla Grape-Nuts Pudding

1 package prepared vanilla pudding
3 cups milk
1/2 cup Grape-Nuts

Prepare vanilla pudding as directed on package, increasing milk to 3 cups. Just before serving, fold in Grape-Nuts. Makes 6 to 8 servings.

Note: If desired, Grape-Nuts may be sprinkled on top of pudding instead of folded in.

Pit, the old-time favorite inspired by Chicago wheat pit speculation is the newest of the turn-of-the-century game crazes to be revived for family fun in wartime. Flinch and Rook are two other seasoned favorites that provide competitive fun that children and parents enjoy together. Monopoly and Finance are trading games that are good for parties and equally popular with children and parents.

NEW BABIES

October 9 was an important date in the history of two local families. Mr. and Mrs. Eugenio Bertoloni, 7047 Mission street, had a son, and a daughter was born to Mr. and Mrs. Laurence L. Lippert, Daly City.

WOODROW PTA

Woodrow Wilson P. T. A. is assisting with the War Bond and Stamp drive at the Woodrow primary and elementary schools. The unit procures the stamps for the weekly sales, collects and counts the money to save the time of the teachers.

Cypress Circle Announces Whist

Co-chairmen for the October whist of Cypress Circle No. 14, U. A. O. D., are Mrs. Sophie Fulmer and Mrs. Doris Morton. They issue a cordial invitation for the public to attend the party, which will be held, Wednesday, October 27, beginning at 8:30 p. m. at the Colma Community Center building, Dunks street.

There will be many attractive prizes, including a cash first award, the ladies said.

ABOUT TOWN

The engagement of Miss Peggy Jones to Frank Watson was announced in Daly City, last week, to the many friends of the young people.

Mr. and Mrs. Clyde Weddle, Daly City, are receiving the congratulations of friends and relatives on the birth of a son, October 3, in San Francisco.

A marriage license was issued, last week, in San Francisco to Emile Mazoue, and Catherine DeVoe, both of Daly City.

Mr. and Mrs. Sture W. Anderson, 157 San Diego avenue, are the proud parents of a daughter born, October 9, in San Francisco.

A marriage license was issued, last week, in San Francisco, to Robert Sickley, 26, and Virginia Cullen, 25, both of Daly City.

GIRL SCOUTS

Girl Scout Troop No. 1 and Brownie Pack No. 7 held a joint outing, Friday, October 15, at Sigmund Stern grove. It was a combined awards meeting and wiener roast, held in the club-room by an open fire.

Bonnie Jean McHugh opened the meeting and led the girls in their Promise. The fly-up ceremony for four Brownies (Gloria Lund, Marilyn Colby, Alberta Smith, and Geraldine Borelli) was conducted by Joan Wimbley.

At the Court of Awards, Troop No. 1 members who received badges were Eleanor Quickert, Beth Anne Calvin, hostess badges.

Mrs. P. J. Becker is leader of the Brownies and is assisted by Mrs. Robert Pool, Mrs. Hale, Mrs. A. Bergstrom, and Mrs. Janet Delucchi. Leader for Troop No. 1 is Mrs. John S. Calvin, who has as assistants, Mrs. Edward Kruse and Mrs. Anthony Mejia. All were present at the Friday outing.

News From District Grammar Schools

AT CROCKER

The pupils of room 2 were sorry to lose one of their classmates, Robert Mangini, who transferred to a school in San Francisco.

Room 3 this week finished planting the various seeds in the Victory Garden. Among the anticipated harvest are radishes, carrots, beets, lettuce, and spinach.

In correlation with their social science unit, the "Story of the Sea," Room 4 was shown the film, "Sea Going Thrills." This picture showed a cruise from New England around Cape Horn to San Francisco with many views of sharks, seals, and whales.

The pupils of Room 6 elected officers for a book club to be held once a week during the reading period. The following were elected: Beth Anne Calvin, president; James Yonan, vice-president; Peggy Chamberlain, secretary, and Richard Ryan, sergeant-at-arms.

Reports are made to the class on interesting library books read, and the class offers helpful criticisms and suggestions on the report.

AT JEFFERSON

"Just because we write so much about our social science in the Jefferson elementary school, don't come to the conclusion that the 'fundamentals' are being neglected. They certainly are not. In all grades, thorough teaching of the Three R's is recognized and emphasized. Even in the first grade, the day's program is carefully planned with the purpose in view that each child will acquire a

good foundation upon which to build his formal education," stated the school's staff.

As eighth grade boys and girls continue their study of the San Francisco Bay area, they become more and more enthusiastic. This week several students who had made lantern slides showing early California life, presented the following program, in which some of the slides were accompanied by talks. 1. Early Residents: slide, Doris Valera, talks, Jack McCaffrey, Mary Ann Bartels; 2. Bay Area (Nine Bay Counties), slide, Albert Lagomarsino, talks, Robert Lazzarini, Rena Feutrier; 3. The Six California Flags, slide, Roy Bogart; 4. Clipper Ships, slide, Leontine Oberg; 5. Early Missions of California, slide, John Zraggen; 6. Golden Gate Bridge (Showing Progress), slide, Eugene Lagomarsino.

The current topic for grade 7 this week, 'Living in the Caribbean Countries,' was developed through lantern slides and stereographs that fitted in nicely with

Columbus Day. The children followed the trail of Columbus through the Caribbean sea, on an excellent map connected with this unit. A lake of pitch on the Isle of Trinidad interested the children immensely and was the source of considerable speculation.

In the sixth grade a Columbus Day skit, with the audience reading the poem, 'Sail On,' was presented to the pupils by James Graziani as mate and David Belli as the admiral (Christopher Columbus). Theresa Ferrari read the scenes. June Wilmuth furnished a pleasing variation in the Boat unit by writing a short play, entitled 'The Story of Boats; From Log Boats to Ocean Liners.'

The fifth grade has for its social science topic, the subject, 'Textiles,' a matter of vital interest to all. With new textile substitutes, good and bad being constantly produced, it is important that every one should know textiles.

The fourth and third grades in Room 4 are working on their dioramas of four different types of Indian homes. In the second grade the stamp unit corner is now filled with interesting charts that show various types of stamped envelopes; ways to address letters and packages and a fine collection of stamps. First graders are joyously responding to a new feature in their afternoon period of music, the introduction of rhythmic movement to the singing of old folk songs. In both first grade and kindergarten, boats and Columbus were the leading topics for Monday's Story hour.

RETURN TO DALY CITY

Mr. and Mrs. J. V. Fenstermaker have returned to their home at 998 Hanover street, after having resided for the past four months at Silver City, Nevada. He has been operating gold mining properties in that region.

Bank Of America Pass Bond Quota

A. P. Giannini, this week, celebrated the birthday of the Bank of America, which he founded 39 years ago, by announcing that a drive by employees of the bank to sell \$300,000,000 in war bonds between August 2 and the end of next January had already gone over the top, after only 11 weeks of a projected 26 weeks campaign.

Personally addressing the statewide radio hookup, Giannini said, "The only word I can think of to describe this response is: MAGNIFICENT!"

"But let's not waste too much time feeling prideful about our big achievement," he told the employees, "Except to realize that no goal is impossible. This campaign is not over yet. We embarked on a six months Victory Drive, and although the adding machines show that we have gone over our statewide quota it simply means that we have exceeded our expectations. We are only ahead of schedule. We must keep going."

He promised that the strong advertising campaign in California newspapers, to which much of the war bond sales record was attributed, would be continued through to the end of January.

"The war still goes on," he asserted. "There will still be bills to pay, and America can look only to you and to me and our fellow Americans for the money with which to pay them. Carry on!"

Large Group Present For Picnic

Seventy-eight children and adults attended the annual Sunday School picnic of Grace Church of the Nazarene, Saturday, October 16, at Balboa park.

Highlights of the day included the great success of the Boy Scouts' canteen, the winning of the clothesline contest by Frank Hinebaugh, and the winning of the nail-driving contest by Mrs. Wilburn. Many other games and events made the day-long event a pleasant one.

Mrs. Smith Hostess To R. Neighbors Group

Mrs. H. H. Smith was hostess to members of the sewing club of Vista Grande Camp No. 6035, Royal Neighbors of America, at 501 Templeton avenue, Tuesday night, October 12. Dutch whist was played during the evening, and delightful refreshments were served.

Those enjoying Mrs. Smith's hospitality were: Mrs. Estelle Peterson, Mrs. Leila Thery, Mrs. Anna Romer, Mrs. Johanna Hedvall, Mrs. Grace Coolish, Mrs. Agnes Wood, Mrs. Emilie Twes-ten, Mrs. Marie Rucker, Mrs. Cinderella Weller, Mrs. Marie Thompson, and Mrs. Clarise Scott.

Next meeting of the group will be Tuesday evening, October 26. Mrs. Leila Thery, 726 Templeton avenue, will be hostess.
